

## **FOR IMMEDIATE RELEASE**

# **Media Savvy Psychotherapist, Dr. Jennifer Howard Getting Social Media's Attention**

NEW YORK – Media savvy psychotherapist Dr. Jennifer Howard (@DrJennifer) has made a number of lists and wanted to share them with you.

[Nurse Debbie](#) has listed Dr. Jennifer Howard as one of the “[Top 25 Celebrity Doctors on Twitter Worth Following](#).” The criteria for this list, according to Nurse Debbie, is that “you may learn that ‘celebrity status’ might be a combination of what that doctor knows as well as how he or she presents that information.” In addition, she writes, “Each doctor on this list is worth following, as they all offer information to the medical profession as well as to patients.”

[Scott Bryant](#) has named Dr. Jennifer as one of the 100 women he believes is the greatest women in Social Media. In addition, Dr. Jennifer has been given the honor of being one of the [Top 100 Consultants on Twitter](#).

There's also a list for [The Top 100 Health Experts on Twitter](#), where Dr. Jennifer has been included. Finally, but we're sure there will be more to come, Dr. Jennifer has been named as having one of the [100 Excellent, Education Twitter Feeds](#).

Dr. Jennifer, as she is known in social media, is offering a free downloadable MP3 of her teleconference, "Begin Reaching Your Goals," and her free ezine. Twitter: @DrJennifer, Facebook: Dr. Jennifer Howard, and Website: [www.DrJenniferHoward.com](http://www.DrJenniferHoward.com).

### **About Dr. Jennifer Howard**

Dr. Jennifer Howard teaches the art of Conscious Living. She is equally at home sharing ancient spiritual wisdom, the latest scientific understanding, and proven and practical life changing techniques culled from over 20 years as an internationally acclaimed coach, licensed psychotherapist, teacher, and energy healer. As a professional speaker and author, Dr. Jennifer's energetic style, along with her sense of humor, helps her audiences--beginner and advanced alike--assimilate what is being taught, even when the material appears to be complex. She has offices in New York, leads a variety of teleseminars and is a leading thought leader on spirituality and psychology. Having appeared as an expert on numerous national network television shows, she is also the host of the popular radio show, "A Conscious Life." Dr. Jennifer Howard was named one of the TOP 25 Celebrity Doctors on Twitter, one of the Top 100 Health Web sites and has been dubbed "The Funniest Shrink on Twitter."
