Dr. Jennifer Howard named as one of the top ‘25 Celebrity Doctors to Follow on Twitter’ by International Publisher

New York (July 9, 2010) – Dr. Jennifer Howard was recently selected as one of the ‘25 Celebrity Doctors to Follow on Twitter’ by Symtrimics, an online wellness company based in California.

Howard, a psychotherapist, has been using the social media tool Twitter since September 2008, and is considered one of the leading expert doctors using social media online today. She is ranked #1 on Twitter for psychotherapy, according to TwitterGrader. Named the funniest psychotherapist on Twitter, Howard has more than 50,000 followers using the Twitter ID @DrJennifer. She was also named one of the top 25 health experts on the social media outlet.

Jennifer Howard, Ph.D. is an internationally known licensed psychotherapist, Integrated Kabbalistic Healer®, Integrated Energy Healer, life coach, author and professional speaker. As a licensed psychotherapist, Dr. Howard brings together 24 years of experience, extensive training, and expertise in mind-body psychology, meditation, and a variety of the healing arts. She is co-founder of the Healing Path Center and maintains a private practice with offices in New York City and Huntington, L.I., New York, as well as an extensive phone practice. A frequent guest expert in a variety of media outlets, Howard has appeared on *The Maury Povich Show*, *Turning Point*, *America’s Talking*, *Rolanda*, *Charles Perez*, *Les Brown* and others.
